

Friars Way, W3

This extensively and thoughtfully renovated three-bedroom semi-detached family home offers close to 1,500 sq ft of internal living space and is situated in the heart of Acton, within the sought-after Goldsmith Estate. The property is within a short walk of both Acton Main Line (Elizabeth Line) and Acton Central (London Overground/Mildmay Line) stations, providing excellent transport connections across London.

Ready for immediate occupancy, the property features bright open-plan living spaces, a newly installed high-specification kitchen, a separate utility room, a newly created ground-floor shower room/WC, and a stylish family bathroom on the first floor.

Outside, there is a substantial rear garden of approximately 100 ft, together with a detached outbuilding with electricity, ideal as a workshop, home office, gym, or playground.

The house has undergone an extensive renovation programme, including new gas, water, and electrical systems, roof improvements, and brand-new gutters, downpipes, and fascias, while retaining the character of the original parquet flooring, which has been carefully sanded and restored.

There is excellent scope for a first-floor rear extension and loft conversion (subject to the usual planning consents), offering buyers the opportunity to further enhance the property and add their own personal stamp over time.
